From time to time KTAR NEWS 92.3 FM and/or Arizona Sports 98.7 FM (the "Stations") will conduct contests. Hard copies of the following rules, and any other specific contest rules, are available Monday through Friday during normal business hours at the KTAR News 92.3 FM and Arizona Sports 98.7 FM studios located at 7740 N. 16<sup>th</sup> Street, Suite 200, Phoenix, AZ 85020.

**GENERAL CONTEST RULES:**

**1. Contest Dates/Eligibility.** Stations may change the dates and/or the terms of the Contest without prior notice. Any material change will be posted on the contest page at [www.ktar.com](http://www.ktar.com) or [www.arizonasports.com](http://www.arizonasports.com) (the "Site(s)"). The Contest is open to all legal U.S. residents ("Contestant"), of the United States eighteen (18) years of age and older (unless otherwise stated) at the time of entry residing within the State of Arizona. Persons who have won a prize (cash, services, merchandise) from a Station Contest or Station event in the last thirty days are not eligible to participate. No purchase necessary to enter or win. A purchase will not increase a contestant's chance of winning. The Contest is void where prohibited by law. Employees or agents of the Station(s), their parent company, subsidiaries, affiliated entities, or entity associated with the sponsorship or administration of the Contest (collectively "the Sponsors"), as well as members of the same household or any such employee or agent, are ineligible to participate. These restrictions also apply to immediate household members of contest or prize winners. The phrase "members of the same household" includes spouses, siblings, children, grandparents and grandchildren, whether as in laws or by current or past marriages, adoption, co-habitation or other family extension, and any other persons residing at the same household, whether or not related.

**2. How to Enter:**

Online listeners to streamed broadcasts may experience a lag in transmissions due to buffering limitations. Listen to the Station for the times to play and how to enter or participate in a specific contest. The dates, times, entry methods, winner selection and prizes will vary with each station giveaway, as determined by the Station and announced.

For contests with text-message based entry, entrants will be asked through on-air announcements, or via web, or texted message, or emailed message, or printed materials to provide certain information via a text message submission to the short code announced or otherwise stated in the Contest's Official Rules. STANDARD TEXT MESSAGING RATES, AS ESTABLISHED BY AN INDIVIDUAL'S WIRELESS CARRIER, WILL APPLY, AND THE STATION(S) ASSUME NO RESPONSIBILITY FOR ANY FEES OR CHARGES INCURRED FOR AND ASSOCIATED WITH ANY TEXT MESSAGE SENT TO OR FROM THE STATION. Text message-based entry is subject to the on-air contest rules and the Official Contest Rules. For texting entries, one entry per phone will be permitted, unless otherwise specified. Decisions of the Station are final. Such decisions may include, but are not limited to, whether an entry adheres to the entry criteria, the time of entry receipt by the Station, the order in which text message entries are received, the eligibility of the entrant, and, in the event entry requires the submission of an answer or response, whether that answer or response is correct. By participating in the contest, entrants agree that the Station may contact them, via phone or

text message, at the telephone number from which the text message entry was received. Any and all fees arising out of the transmission of a text message shall be the sole responsibility of the entrant. By participating in a contest in which text message-based entry is permitted, entrants acknowledge that text messages are distributed and delivered through third party providers; the Station does not guarantee, and shall not be responsible for, the delivery or timeliness of any text message entry. The Station will at all times consider the time that a message is logged as arriving in its system as being the time of entry, regardless of the time at which the entrant attempted to send the entry and any technical problems or other complications that may have delayed its delivery. The Station, through its third party text messaging administrators, will store all messages received on its system. The Station is not responsible for service outages, message failures, transmission delays or any other factor affecting the availability or performance of the text messaging service. The Station further reserves the right to cancel, terminate or modify the contest if, in the sole discretion of the Station, it is impossible or impractical to complete the contest as planned for any reason, including, but not limited to, infection by computer virus, bugs, tampering, unauthorized intervention or technical failures of any sort.

For call in to win contests, a “sounder” or cue to call announcement will be aired randomly at various times along with a message instructing listeners to call for a chance to become a winner. Listen to the Station weekdays for an announcement to call in and be the designated numbered caller to the Station’s contest line. The correct caller will either automatically win the announced prize or be required to perform a task (i.e., answering a trivia question correctly), as determined by the Station to win. The cue to plays announced may at times also be for a qualifying spot to participate in a Grand Prize Event or drawing. Listen to the Station for details on specific giveaways and for the times to play. The dates, times, winner selection and prizes will vary with each station giveaway, as determined by the Station and announced during the cue to call. Winner must be the designated caller to the phone number announced; the designated caller, if eligible, will be a winner. If Station determines the designated caller is not eligible, the Station may select the next consecutive eligible caller as the winner. Listen to the station for details on specific times to play. Contests broadcast on air are typically not valid on weekends and holidays unless otherwise mentioned in the specific contest’s rules or announced on air. Contest participants should not rely on streamed broadcasts in order to participate. Listeners may be listening via the Station stream on the Internet: please be advised that you may be listening to a delayed stream of the radio signal, which may vary depending on your computer’s memory capacity and the speed of your internet connection. For that reason, we strongly recommend that you turn on your radio to the Station to participate in any call-in contest to be sure you are participating in “real time.” The Station assumes no responsibility for contestants not making timely phone calls to the station as a result of the delays in the Internet stream. **WARNING:** Due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station’s Internet audio stream are slightly delayed from the time the contests heard on the broadcast station, and will be running behind the broadcast signal. Thus, all contests heard are delayed. This delay may last up to several minutes. This means that when the broadcast station announces the cue to call or text for a contest,

listeners to the on-line audio stream will be at a greater disadvantage in participating over those listeners who hear the contests on a conventional FM radio.

The maximum number of entries allowed for each Contest (and the frequency with which you can enter, if multiple entries are permitted) is specified on the Contest Information Page. The number of Points required for an entry will be determined separately for each Rewards contest, but typically range from 500 to 10,000 Points, and in some Rewards contests no Points may be required for entry. An entry will not be valid unless all of the required fields of the online registration form are completed and the information is valid. Once submitted, an entry cannot be deleted, canceled or modified, except by the Operator. In the event of a dispute as to entries submitted by multiple individuals using the same computer, an entry will be deemed to have been submitted by the authorized registrant of the Rewards Service username and password from which the entry is made. The authorized registrant is deemed to be the natural person who is assigned a username and password, and all decisions regarding the identity of the authorized registrant shall be made by Operator in its sole discretion.

Odds of winning will be dependent on the number of qualified entries received during the designated contest timeframe.
