Performance Initiatives Undertaken 5/25/17 – 5/24/18

During the reporting period, the Unit participated in numerous job fairs to promote careers and job opportunities in the broadcasting industry. These job fairs included: two City of Phoenix Diversity Employment Day Career Fairs (October 11, 2017 and May 17, 2018), The Black College Expo (February 17, 2018), the City of San Francisco Diversity Employment Day Career Fair (April 12, 2018), Glendale Community College’s Job Fair (March 21, 2018), and the Arizona Broadcaster’s Association Career Fair (May 10, 2018). In addition to participating in the career/job fairs, the unit also supported the events by providing on-air and on-line support encouraging attendance.

The unit airs recruitment advertisements on all stations inviting organizations to be part of the recruitment process. In addition, the San Francisco market airs weekly announcements about open positions within the organization. In addition, ongoing discussions with managers regarding EEO compliance rules are held. All department heads are trained to adhere to EEO rules and are required to follow procedure in the hiring process.

The Unit maintains an internship program that runs throughout the year including Spring, Summer and Fall semesters of the college school year. The internship program allows college students to gain the necessary skills to acquire employment in the broadcast industry upon graduation. Interns receive academic credit for semester-long internships. The Unit offers internships in multiple departments. During the reporting period, the Unit had a total of 45 interns from eight different colleges/universities (36 from Arizona State University, 1 from Michigan State University, 1 from Emerson College, 1 from the University of Florida, 1 from California State University, 1 from Grand Canyon University and 1 from the Conservatory of Recording Arts and Sciences and 3 from San Francisco State University). In addition, the unit participated in a two-week fellowship program with a graduate student from Croatia through the ASU Walter Cronkite School.

During the reporting period, the Unit gave tours to the following groups; high school students participating in the Andy Harvey Native American High School Broadcast Workshop at NAU (June 23, 2017), students attending the ASU Summer Sports Broadcast Camp (July 20, 2017) and media studies/marketing students from Barry Goldwater High School (April 24, 2018).

Personnel from the Unit often speak to students and the public about career opportunities in the broadcast industry. The VP of Business Development spoke to a marketing class at Grand Canyon University on April 3, 2018 and to a cross platform media class at UCLA on May 21, 2018. Our VP of Operations conducted a 90-minute presentation to students at ASU’s Walter Cronkite School on strategic sports communication (March 22, 2018). Our Market Manager participated as a coach in the “First Job, Fast Break” event conducted by the Outreach and Diversity Committee of the Cronkite Endowment Board through ASU (March 28, 2018). One of our senior account executives participated in a panel discussion about “A Day in the Life of an AE” through the NABEF Media Sales Institute at the ASU Walter Cronkite School of Journalism on June 9, 2017. On November 30, 2017, our assignment desk editor spoke to members of the Mountain Ridge High School Society of Female Scholars about being a female in broadcasting. One of our sports hosts spoke to a sports marketing class at Arizona State University on January 25, 2018.
